4. SECTION 63 BHARATIYA SAKSHYA ADHINIYAM (BSA) CERTIFICATION

I hereby certify that the electronic record identified above was ingested into the VeriTrace forensic system in the ordinary course of official investigation. The cryptographic SHA-256 hash was generated directly from the unaltered bitstream upon receipt. The storage repository enforces strict write-once semantics, ensuring no subsequent modification, tampering, or bit degradation. This report constitutes a structured evidentiary package prepared for human expert evaluation and legal certification under Section 63 of Bharatiya Sakshya Adhiniyam 2023.
